

December 3, 2007 – More than 130 good friends of St. Vincent de Paul Regional Seminary recently gathered for the seminary's annual Donor Recognition Mass & Brunch on campus here.

"Our faculty, staff and seminarians truly enjoy this annual opportunity to thank our donors for their wonderful and continuing support," said Monsignor Keith R. Brennan, J.C.D., Rector/President. "It was especially nice for several volunteers from area Knights of Columbus Councils to assist during the brunch. This enabled many of our seminarians to renew old acquaintances and make new ones from among our growing group of friends."

Guests enjoyed a brunch of crepes, omelets, hashbrowns, pancakes, sausage, bacon, biscuits and gravy, fruit, roast pork, wild rice, brown gravy, steamed vegetables and apple strudel.

All the resident students, faculty and a number of volunteers on the St. Vincent de Paul Development Council and Board of Trustees were also in attendance.
