RECTOR AND PRESIDENT

Dear Friend of the Seminary,

The Seminary is proud to announce its first ever organized religious pilgrimage for our volunteers, supporters and friends. We are also quite happy to have Fr. Mark Heuberger, one of our alumni, as the trip's spiritual leader. Fr. Mark is very experienced leading tours such as this, and is quite knowledgeable about the stops we have planned throughout Italy. It will be a first class trip, and one that we are sure will provide everlasting memories.

We have enclosed a brochure and insert detailing our ten days in Italy. FAR HORIZONS of New Jersey is the travel agent and they can answer any questions you may have. Their telephone numbers are on the white information sheet.

If you have always wanted to visit Italy, explore its history first hand, witness some of the world's greatest churches, famous religious and non religious art and architecture, complete with both spiritual advisor and tour guide, this is it. Join us!

Yours In Christ,

Msgr. Keith R. Brennan, J.C.D.
Rector & President
